

TO SHINGLE GETTERS.

The undersigned has been appointed agent for selling the Patent Right to use Kinney's Shingle Machine, in the counties of Halifax, Nash, Johnston, Cumberland, Richmond, and all the counties lying east and south of these, in the State of North Carolina, except the county of Edgecombe, the right of which, has been sold to another. He has also received the agency for the whole state of South Carolina. He is authorized to sell to individuals or to companies, for a single right, or for a county, or for all that part of North Carolina mentioned, in one sale; and likewise in the same way for the districts in South Carolina.

He has made an arrangement with Mr. U. Wells, of Petersburg, Va., to have the Machine to order, to be delivered at a Depot on the Wilmington to Raleigh Road, the freight to be paid by the buyer, and he will procure its delivery without charge, or his trouble. This Machine is of simple construction, and easy to be kept in order; and can be used either by hand, horse, water, or steam power. Two good hands can easily make from the blocks, from 4000 to 5000 Shingles per day, ready jointed, and nearly as smooth as if planed, and any width desired, from 4 to 10 inches. They could also easily move the machine from place to place, to be convenient to their timber. The cost of the machine, ready made, will be \$50. The price of the right to use it, will vary according to the extent of the purchase. He will have a machine here in a few days, as a sample, and invites the public to call and see it operate.

He will endeavor to obtain a suitable person to carry a Machine into all of these counties, to show its value. A. J. BATTLE, Agt.
